

GREATNESS COMES FROM WITHIN AND YOU CAN REDISCOVER IT

Transcend Beyond Your Destiny

A transformational workshop that facilitates you to re-design your destiny right now!

Synopsis

This is a life-changing workshop that focuses on transcending beyond your birth potential (character, personality, talent, etc.). At the end of the workshop, you can begin to consciously create the life experiences that you desire.

This workshop is based on:

- the principles of the “**Universal Laws**” (time tested proven rules) for effective results
- **proprietary methodologies**, e.g. **ACT™** without doing and metaphors for easy understanding and immediate applications
- the practise of “**Self-Mastery**” – (shifting from a victim position to taking charge)
